

CROMWELL PCL. AA7102S Xf Adaptor Male Thread R1/4

Cod comanda: PCL2591091E

Descriere produs:

Offers excellent flow characteristics providing the workshop with increased airflow when required and enhanced tool efficiency. Features:

- o High flow rate - 130 cfm @ 100 psi
- o Hardened steel construction with corrosive resistant finish
- o Steel shoulder helps prevent accidental disconnection
- o Enhances tool efficiency
- o Nominal bore: 7.4 mm
- o Flow rate @ 6 bar (0.5 bar p.d.): 2,200 l/min
- o Maximum working pressure: 35 bar / 508 psi
- o Temperature range: -40°C to 100°C
